

Curriculum Vitae

- **Name:** Khaled Fawzy Kotb
- **Title:** Assistant Lecturer
- **Department:** Civil Engineering
- **E-mail:** Khaled.fawzy@su.edu.eg

A) Academic Qualifications:

- Bachelor's degree in civil engineering University: Sinai university Year:2014
- Master's Degree in Structural Engineering University: Zagazig university Year:2019

B) Academic promotions:

- Demonstrator, Date: 10 / 2014
- Assistant Lecturer, Date: 2020

C) Scientific Merit:

- Orcid –N: <https://orcid.org/0009-0006-4186-0359>

D) Academic Administrative Experiences:

- Former control member.
- Former schedules committee member.
- Member of the academic guidance team.

- Quality standard team member.

E) Scientific Activities

1: Membership of Professional Organizations and Scientific Societies

- Membership of syndicate of engineers.

2: Training Courses/workshops:

- “Research performance-index” from the scholar and academic platform-IFAD and the winning strategy Group.
- “International publication of research articles”. Training and Continuous Education Unit (TCEU) – Zagazig University.
- “Using International Databases”. Training and Continuous Education Unit (TCEU) – Zagazig University.
- BIM REVIT structure course - online course.
- Quality Course Specification – online course.
- Electro- mechanical online course – learning ship academy
- price cost of construction projects - online course.
- primavera online course

3: Conferences, Seminars and Workshops:

- Al-Azhar Engineering Fifteenth International Conference 2021.
- The first and second scientific conference of the Department of Civil Engineering, Faculty of Engineering, Sinai University, Arish Branch (3-2023and 12-2023).
- Attending the signing ceremony of a cooperation agreement between the college and the Community Development Association in Al-Joura. January 22, 2024.

4: Teaching Scopes:

- Reinforced concrete 1, 2,3 -Highrise building - Low rise building - Construction method - Civil drawing - AutoCAD graphics – contract specifications — Structure 1 -Surveying- Structural analysis and Numerical methods

F) Scientific Publications:

Last 10 year of published Scientific Papers

-International journals

1- Fawzy, K., Mahmoud, H.A.K., Selim, M. et al. Overview of the punching capacity of the flat slab under reversed cyclic loading and methods of improvement. Asian J Civ Eng (2023).

<https://doi.org/10.1007/s42107-023-00934-5>

2- Mohamed Husain, Khaled Fawzy, and Khaled Fawzy Kotb, Sway of Steel Fiber and Recycled Aggregate Content on Mechanical Properties of Recycled Aggregate Concrete, International Journal of Civil Engineering and Technology 10(3), 2019, pp. 3067– 3078.

G) Skills

- Language Skills:

Fluent in Arabic - Very Good in English

- Computer Skills: Very Good in MS office – Very Good in Structural Programs

- Presentation skills: Very Good

H) Awards and Certificates of Appreciation:

1- September 2014 I was honored by President\ Abdul Fattah Al-Sisi and received Excellence Award from the second degree in a ceremony honoring the first Egyptian universities at Cairo University in 2014.

2- October 2014 I was honored by the Governor of North Sinai General. Abdul Fatta Harhor, and I obtained a certificate of appreciation for obtaining first place in Faculty of Engineering, Sinai university.

3- October 2014 I was honored by Eng. Tariq Al-Nabarawi for obtaining a certificate of appreciation for obtaining the first place in Faculty of Engineering, Sinai university.

4- November 2021 I was honored by Eng. Ahmed El Masry for obtaining master's degree in structural engineering
